Content, the number one challenge for digital signage

Challenges you'll solve

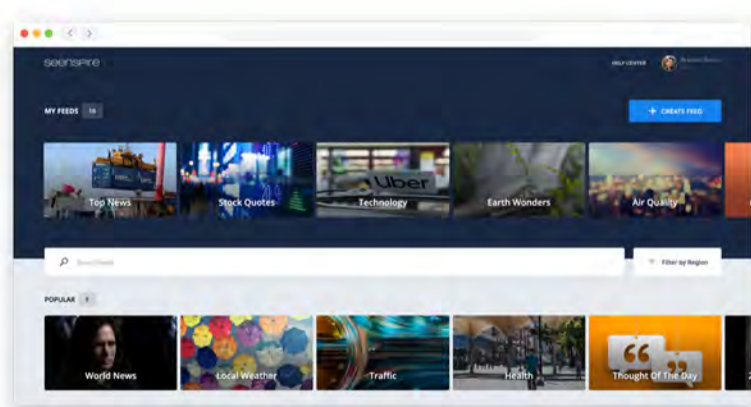

- ✗ Repetitiveness and content fatigue.
- ✗ Limited resources for content creation.
- ✗ Unpredictable cost to source, curate & visualize content.

Diversify and automate your content playlist

- 250+ automated content feeds, sourced, curated and visualized for digital signage.
- Mix need-to-know messages with Seenspire-powered content for maximum impact.
- Seenspire handles all licensing so you can avoid copyright infringement.

How to use with embed signage

1

Get a Feed URL from your Seenspire dashboard

2

Add the URL to a playlist using the Content Streaming Widget in embed

3

Publish to your screens and watch them continue to update automatically

Seeing is believing!
