

Content, the number one challenge for digital signage

Challenges you'll solve

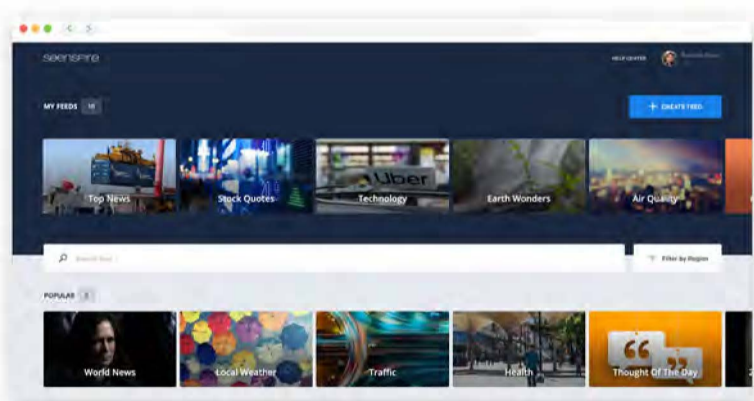

- ✗ Repetitiveness and content fatigue.
- ✗ Limited resources for content creation.
- ✗ Unpredictable cost to source, curate & visualize content.

Leverage social media content on the big screen

- Repurpose your social media content to maximise its value and reinforce its message.
- Expand the reach of your social media posts and grow your brand's community.
- Diversify your content playlist by leveraging trending global hashtags.

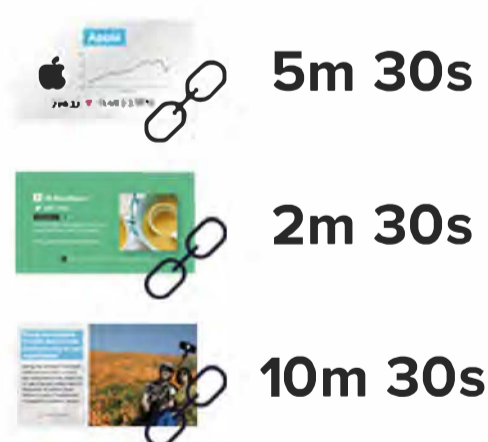

How to use with embed signage

1

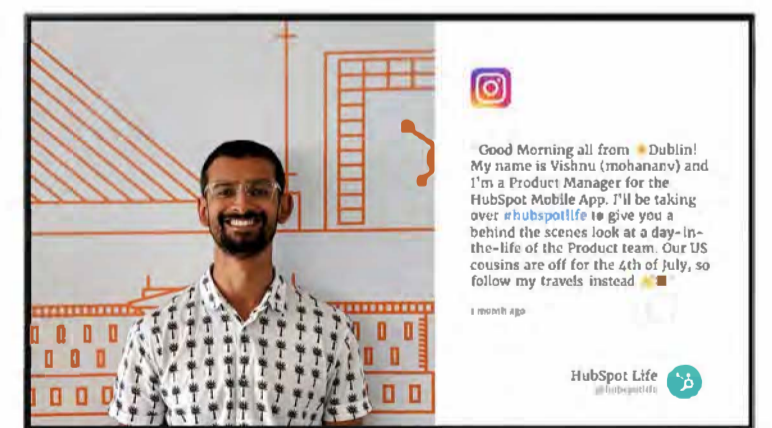

Get a Feed URL from your Seenspire dashboard

2

Add the URL to a playlist using the Content Streaming Widget in embed

3

Publish to your screens and watch them continue to update automatically

Seeing is believing!
